

Club Charter 2019/20

1 Introduction

The Carlisle United Charter (“Charter”) brings together the Club’s principal aims, commitments and policies, including those for ticketing and supporter engagement.

We constantly review our key policies and these may change during the season; if we do, this Charter will be updated accordingly.

The Club will review the Charter each year in June ahead of the new season. We will consult with The Carlisle United Supporters Groups (“CUSG”) on changes which are reflected in the Charter and it will be adopted and approved by the 1921 Board.

Who are we?

The Club, was first founded in 1904, meaning we are over one hundred years old. Brunton Park has been home to the club since 1909.

The Club is located only nine miles from the border with Scotland making us the most northerly based in the Football League. It is also the only professional league football club in Cumbria

We are defined in part by our geography and also our history. Weather, our rural landscape, local pockets of heavy industry and long distances combine to make us unique in the EFL.

We are a Club on the very northern border of England. Our location means we are the club for a wider region stretching far west and far south. We are the club of the regional capital and its biggest city. Our regional challenges demand a tough spirit where you have to fight hard.

We are the premier sporting organisation of Cumbria. We are a local community Club that reaches far.. We have no close neighbours in the EFL and our rivals are not local.

We are traditional and proud of our heritage with long memories. We are used to highs and lows and have enjoyed success and adversity. We celebrate our past heroes and are not envious when they move on – we support them.

Our fans demand passion, fight and determination and commitment on and off the field. They want to see local players flourish. We want to see our team overperform and outpunch the opposition and give no quarter.

We are 25% owned by supporters they have representation as directors of the Club on its boards. Our fans want their voice to be heard. Our fans are fiercely proud and loyal. They are strong minded and vocal, they demand honest.

Many come and go from our region but they stay as Cumbrian’s and Carlisle fans born and bred.

EFL Charter for clubs

In 2018/19 the EFL introduced a new EFL charter as a statement of the commitment and aim to run EFL Clubs to the highest possible standards in a professional manner and with the utmost integrity. With that aim we, the Owners and Chair of each Club in membership of the EFL are determined to:

- To conduct our respective Club's dealings with the utmost good faith and honesty
- At all times to maintain Regulations and Rules which are comprehensive, relevant and up-to-date
- To adopt disciplinary procedures which are professional, fair and objective
- To submit to penalties which are fair and realistic
- To secure the monitoring of and compliance with the Regulations and Rules at all times

We are committed to ensure the EFL and our Club are run with the highest possible standards and with integrity.

We will ensure that our Club:

- Behaves with the utmost good faith and honesty to other clubs, do not unjustly criticise or disparage one another and maintain confidences.
- Will comply with the laws of the game and take all necessary steps to ensure that the Manager, his staff and Players accept and observe the authority and decisions of Match Officials at all times.
- Will take all necessary steps to ensure that all Officials at our Club comply with the decisions of the EFL and its various decision making bodies at all times.
- Follow EFL and FA Rules and Regulations not only to the letter but also to their spirit and will ensure that our Clubs and Officials are fully aware of such rules and that we have effective procedures to implement the same.
- Will respect the contractual obligations and responsibilities of each other's employees and not seek to breach these or to make illegal approaches.
- Will discharge their financial responsibilities and obligations to each other promptly and fully and not seek to avoid them.
- Will seek to resolve differences between each other without recourse to law.

2 Complaints

Supporters Liaison Officer

In 2015/16 the EFL participated in the Government's Expert Working Group on Supporter Ownership. One of the recommendations coming out of that group was to require Clubs to have a Supporter Liaison Officer. The EFL does not require Clubs to specifically employ an individual to fulfil the role of Supporter Liaison Officer on a full-time basis, and existing or new staff can take on dual/multiple roles including that of SLO if required.

The Club has appointed a Supporter Liaison Officer chosen by our supporters' groups who shall:

- act as a point of contact for supporters; and
- liaise regularly with the Club's management (including, but not limited to, on safety and security-related issues)

The Club's complaints policy will be published within the Club's Policies on the website <https://www.carlisleunited.co.uk/club/safeguarding-equality--diversity/>

Complaints

Club Charter 2019/20

The Club strives to provide and maintain a high level of service for all supporters and visitors of the Club. However, despite the best efforts of the staff we do understand that problems can occur.

We encourage any supporter who feels that they have been mistreated in any way to bring the matter to the attention of the Club, who can then attempt to address and solve the issue to the best of their ability.

Any match day issues should be raised with the Supporters Liaison Officer or a Ticket Office employee at the Match Day Ticket Office in the West Stand, or a member of the match day safety team as soon as they arise. The sooner we are aware of any problems that are occurring, the sooner we can deal with them.

If you feel that your issue on match day was not correctly resolved, or if you would like to discuss something unrelated to a match day please contact us.

General enquiries response times may vary due to the high volume of calls, particularly when match tickets go on sale. Any complaints or general enquiries are initially channelled into our general enquiries telephone line 03300 945 930 and then will be routed to the relevant department if the enquiries line is not able to give a satisfactory answer.

The Club will endeavour to answer your complaint as soon as possible. However, due to many staff members not being based at the Club and others just working on the day of a fixture it is not always possible for us to get in touch with you straight away.

Policy Statement

The Club welcomes comments and complaints from all members of the Club community and from supporters. We use this process to improve our services for stakeholders, fans and the wider community in which we exist.

CUFC is committed to the continuous improvement of the services it provides. We recognise that, occasionally, mistakes will be made or the service offered will not meet an individual's requirements or expectations. For these reasons it is Club policy that all complaints should be:

- Treated seriously and in an open manner
- Acknowledged immediately, preferably in writing
- Investigated
- Resolved, wherever that is reasonably practicable, within no longer than 13 working weeks
- Used as feedback to improve the Club

No complainant bringing a complaint under this procedure will be treated less favourably by any member of staff. If there is evidence to the contrary, the member of staff may be subject to disciplinary proceedings.

Scope

The policy applies to all members of the Club but does not replace procedures for, staff grievances and disciplinary action: those procedures should be used where appropriate.

The Human Rights Act 1998 applies to the operation of this policy.

Responsibilities

All Club Staff have a responsibility for receiving complaints, treating them seriously and dealing with them promptly and courteously in accordance with the procedure set out below.

Club Charter 2019/20

Heads of Department have a responsibility for resolving a complaint, and leading or contributing to an investigation into a complaint when this is considered appropriate.

The Chief Executive is responsible for resolving complaints which have not been resolved. The decision made by the Chief Executive is final.

The 1921 Board is responsible for ensuring that the complaints policy and procedure are operating effectively and may become directly involved if a complaint is directed against the Chief Executive or a director of 1921.

The Holdings Board is responsible for ensuring the 1921 Board undertakes its role properly and may become directly involved if a complaint is directed against the 1921 board

Stage 1

The Club expects complaints to be made informally to a member of staff in the first instance. The Club will then forward to the relevant member of staff. Where this does not result in satisfactory resolution, the complaint should be submitted in writing to the Club.

The Club usually expects complaints to be made by the person concerned. However, it will consider complaints made by a parent or advocate.

Anonymous complaints cannot be investigated.

Stage 2

It is the Club's policy to respond to supporters within a maximum of seven working days and this will be done either by telephone, email or letter explaining what has happened as a result of the complaint. Where this involves a member of staff, specific detail of action taken will not be made available. This is to ensure that our employees are afforded appropriate dignity at work.

If it is not possible to provide a full response at that time, an acknowledgement will be sent and a detailed reply will follow within 21 working days of receipt of the original communication.

Stage 3

If the complainant is dissatisfied with the relevant manager's response then the complaint will be forwarded to a senior member of staff to resolve.

The senior manager will acknowledge receipt of the complaint within two working weeks and a final reply will be completed within 8 working weeks to allow time for any formal investigations to take place.

Stage 4

If the complainant is still dissatisfied with the response, then the matter will be referred to the Chief Executive. The Chief Executive will respond within three weeks. The Chief Executive's decision is final.

The total comments/complaints procedure should be finalised in no more than 13 working weeks unless there are exceptional circumstances in which case the complainant will be kept informed of progress.

Complaints against the Chief Executive or 1921

Complaints against the Chief Executive should be addressed to the Chairman of the Holdings Board at the

Club Charter 2019/20

Club. Complaints against 1921 should also be addressed to the Chairman of the Holdings Board at the Club.

If the matter is still not resolved you can contact:

Staff conduct

The Club staff will conduct themselves in a courteous manner at all times when dealing with supporters.

Our staff will promote the match day experience as a safe, fun and community orientated event which encourages people of all ages to attend and give us their support.

We are thoroughly committed to the principle that all staff, customers, spectators, players and officials treat each other with respect and courtesy, irrespective of race, colour, religion, culture, gender, sexual orientation or age. Only if we are given constructive feedback from our supporters can we develop any areas that you feel need to be improved.

If you feel that we have not met the high standard of customer service you deserve and expect, we would like to know about it, so that we can improve the products and experience you are delivered.

Cup Competitions

Club Charter 2019/20

Tickets for Cup competitions are set game by game in accordance with competition rules, dependent on the stage of the competition and agreement with the opposition.

Concessions

The Club provides concessions for the following age groups:

- Adult (23 – 64 Years of Age)
- Juniors (11 – 17)
- Seniors (65+)
- Children Under 11
- Young Persons (18 – 22 Years of Age)
- Children Under 7 (Free of charge)

Flexi-cards

This membership is aimed at those who are loyal supporters of the Club and would like to be Season Ticket holders but are not able to commit to a Season Ticket owing to the fact that they have other commitments on a Saturday afternoon. Customers with a 'Flexi card' are able to choose seven home matches that they wish to attend in a season and book these as they go.

This way they are not tied down to attending matches each week but are afforded their tickets at a cheaper price than those purchasing on a weekly basis. Being a member also ensures that they receive all the usual benefits.

Community Ticket Scheme

We are constantly looking for ways to attract more fans to attend our fixtures and to this end have improved our 'Community Ticket Scheme' for the past few seasons by attempting to contact those wishing to take part as early as possible in a bid to be extra organised.

This scheme is managed by our Ticket Office team and gives local schools, youth groups and football teams the chance to attend a live football game for free as part of their group. The aim is to give a good feeling with regards to the club, to impressionable fans in the hope that they will then want to return. We have also updated our membership benefits to include discount at our 'Community Sports Trust' courses. The idea behind this is to attract more people to purchase memberships and also more people to attend courses with CST. This area is allocated in A stand and is the "Cumberland Community Stand".

Carlisle United has designated Section 8 of The Pioneer Foodservice East Stand as their Family area.

Fixture changes

The complex combination of TV and the EFL, added to Cup fixtures for both the League Cup and the FA Cup, means certain matches may be subject to change of match date and kick-off time. It is the responsibility of the ticket holder to ascertain the rescheduled match date and kick-off time, which is communicated through the Club's communication channels.

Relocating/Returns/Refunds

Unwanted tickets must be returned, intact, before kick-off on the day of the game where, in exceptional circumstances, providing there is a genuine reason for returning the ticket(s) a full refund will be given.

Refunds will only be issued to the same method of payment that the tickets were purchased under. Refunds will not normally be given for lost or stolen tickets.

Club Charter 2019/20

We have also introduced a scheme in which Season Ticket holders can 'bank' three matches that they are unable to attend per Season and use this banked game to bring a friend with them for another match. This makes our Season Tickets better value for money than ever before.

Season Ticket holders who wish to bring a friend or relative to a game will be able to transfer elsewhere in the Stadium with their friend paying match day transfer price. These will be published each season.

Where possible exchanges should be carried out prior to match day. Transfers within 60 minutes of kick off should be avoided as this may result in delays as this is a busy time.

Every effort is made to facilitate the return and redistribution of unwanted tickets. Following the introduction of legislation to combat ticket touts (section 166 of the Criminal Justice and Public Order Act 1994), any member of the public would be committing an offence if they should offer for sale any ticket that they have purchased.

Abandonments and postponements

In the event of severe weather conditions or other extreme circumstances prior to a match, Club officials through the Safety Officer would liaise with match officials who would use their best endeavours to ensure that spectators would not be admitted to the ground if the game was likely to be postponed.

Any tickets purchased for a game that is subsequently postponed will be valid for the rearranged fixture.

Any supporter who cannot make the rearranged fixture may receive a refund as long as the original ticket is returned to the ticket office before the re-arranged fixture takes place.

In the case where spectators were admitted into the ground but the match was postponed before kick off, ticket holders would be entitled to free admission to the re-arranged fixture.

However, in the event of a match being abandoned after kick off, but before half time, then the Club would announce over the public address system that ticket holders would be entitled to half price admission to the match on producing a valid ticket for the abandoned game.

If a match is abandoned after half time an announcement over the public address system that no reduction would be made for the rearranged game.

Away matches

The Club's supporters are allocated tickets for away matches at variant levels determined on the home club's capacity. Should it be necessary, tickets will be offered for sale in the following order of priority:

- Season Ticket Holders
- Membership holders including CUSG group members
- General Sale

The Club reserves the right to amend these priorities throughout the course of the season.

The home club determines the cost of these tickets.

Tickets for all fixtures will be put on sale two weeks in advance of the game being played.

Should this change at any point during the season it will be advertised on the website.

The Club can only refund tickets for away matches if they are returned, intact, to the Club during the allocated dates of sale. Tickets that are not needed after this time must be returned to the home club.

8 Families

The Club recognises the need to encourage the attendance at matches of families and children to help ensure continuity of support in future years. In 2018/19 for the 10th successive year the Club achieved the EFL Family Excellence Award; ranking 8th in L2 and 26th in the entire EFL.

We view all areas of our ground as 'Family Friendly' however; we admit that some areas are likely to be more suitable than others.

The Club has a dedicated family area in the Pioneer Foodservice East Stand Section 8 and in the Cumberland Community Stand. These are areas for home supporters in family groups. Adults without accompanying children will not be admitted except in exceptional circumstances at the discretion of the Club.

PLEASE NOTE: AN ADULT/SENIOR/YOUNG PERSON OR JUNIOR TICKET MUST BE PURCHASED WITH EVERY CHILD TICKET BOUGHT.

9 Retail merchandise policy

The Club promises that to its knowledge, its products are:

- Of satisfactory quality and safe to use
- Fit for the purpose for which they are sold
- As described (packaging and signage)

The Club offers refunds on the merchandise in accordance with its legal obligations.

Time limit for returned goods is 28 days after date of purchase. They must be accompanied by proof of purchase on return. All goods must be returned in an unworn/unused condition with original packaging (goods will be examined and a form will be completed). Refunds will be returned according to original payment method.

If there is no receipt and the price has been subsequently reduced, then only the sale price is given as credit note/voucher or replacement goods. Any goods found to be faulty may be given a cash refund.

The Club is unable to exchange or refund a custom printed shirt if the size is incorrect (unless it is faulty) or accept responsibility if a player leaves the Club or changes his squad number.

Home and away shirts have a lifespan of one season. Away shirts will be introduced every season and may be used the following campaign as a third kit shirt. If the kit clashes, the Club may use another change of kit. Training kits are changed annually.

N.B. The kit cycle is dependent on kit and main sponsors. From time to time the Club may introduce one-off limited edition shirts.

10 Flag and banner policy

We know that many supporters like to display flags at football matches and we always aim to be as accommodating as possible.

Flags and banners are not generally confiscated, however the obstruction of gangways, access routes, exits and entrances, signage and stairways are strictly forbidden. In the event of an emergency we must have all access and exit points clear. The Club welcomes flags and banners from both home and away fans.

They add to the spectacle of the game.

Flags of any size that are attached to wooden or metal poles, or rigid plastic tubing, are NOT permitted.

Small hand-held size flags on flexible plastic handles are acceptable.

Small to medium sized flags that can be hung downwards from a single crush barrier in the standing areas are acceptable.

However, they are NOT allowed to be hung over the pitch perimeter walls in any part of the ground as they obscure the advertising hoardings. They will be removed by stewards if not removed by supporters when requested.

Large flags in standing areas are NOT allowed as they can obscure views of the crowd, especially the activities of anyone intent on causing trouble.

In seated areas only small or medium size flags that have been made out of flame retardant material or have been fire proofed, and there is a valid certificate of authenticity, will be permitted in these areas. In addition, they can only be positioned on seats not occupied or along the back wall of the grandstand.

Large flags, or those not fire proofed, can be hung on the crush barriers in the Petteril End if the area is not in use. This applies to both sets of supporters and can be arranged with the Safety Officer via Supervisor stewards on the day.

Flags with signs, slogans or messages that are considered to be unsuitable or offensive will be refused entry or removed at the discretion of the Safety Officer. These include those of containing offensive, defamatory, discriminatory or inflammatory messages.

If you have any queries or wish to bring a flag or banner you must contact the Club.

Please get in touch in advance so we can confirm arrangements and avoid disappointing you on the day of the match.

11 Community

Corporate Social Responsibility (CSR)

The Club is totally committed to achieving best practice and being a good corporate citizen in our community. This involves corporate leadership by creating innovative programmes in our immediate and wider community beyond the industry norm.

The 'Community Ticket Scheme' is also run to attract more school groups and football teams to attend matches at Brunton Park. We offer free children's tickets to groups with a maximum of forty and every 8th child entitles the group to a free adult ticket.

These children will also receive a discounted adult and free child ticket package voucher for the following Saturday Home League match to encourage their support in the Club.

As we are always looking for ways to improve the match day experience for our fans, we also welcome feedback from parents and children alike in our 'Community Ticket Scheme' questionnaire which allows those who have visited the Stadium as part of the scheme to analyse their trip and state what they did and did not enjoy.

The Club will continue to support the development of community-based projects.

The Carlisle United Community Sports Trust

The Club's highly successful and award winning programme is managed by the Carlisle United Community Sport Trust ("CUCST") and continues to grow and provides many different activities for the community.

CUCST seeks to actively encourage more people, especially children, to play and watch football and also educate them in issues including teamwork, racial discrimination, fair play and also how to lead a healthy lifestyle.

It offers a wide variety of activities (that include a schools programme, NCS, Futsal, Walking Football and holiday soccer schools and other projects which are open to people of all abilities). It also offers holiday courses, beginners clubs, after school and curriculum time coaching and sponsored skills days along with Birthday parties. It provides high standard and quality coaching to a cross section of the community.

We incorporated discounts on CUCST courses for our loyal membership holders who are under the age of eleven plus a discount period if purchased before a certain date.

12 Environmental policy

We will ensure that every aspect of our activities is conducted in accordance with sound environmental practices. We will achieve this by:

- reducing the creation of paper waste
- ensure that all waste is disposed of in a responsible manner, recycling where possible
- investing in new products and processes that have an improved performance regarding their impact on the environment
- complying with environmental legislation

The Club aims to promote sustainability among its staff and fans, along with our community. Our collective task is to ensure that we continually improve the environmental impact of our activities.

By this policy, we recognise our responsibility towards protection of the environment, and issue this statement as a commitment of both management and employees to minimise the environmental impact of our operations.

13 Charity policy

As an organisation, like most football clubs, we receive many requests for support from a huge number of really worthwhile causes.

It is impossible for us to help every one of them and choosing between them has proved incredibly difficult for our staff, as such individual requests cannot normally be supported. We do not provide merchandise (including signed items) except in exceptional circumstances.

We do offer charities with a base or significant presence in Cumbria the opportunity to apply to be a Charity Partner for the duration of one season.

The Club regrets that other requests for charitable support outside these arrangements will be declined.

For further details, please contact the club in writing to the Supporter Liaison Officer.
